

PUBLICATIONS by ANDREI V. ZINOVIEV

1988

Vinogradov, A.A., Demikhovskaya, A.V., Zinoviev, A.V., Zinoviev, V.I., Kravchuk, E.V., Loginov, S.B., Pern, D.E., Makarov, K.E., Smirnova, S.A. 1988. On the wintering mallards in the city of Tver. In: Animals of the forested part of the European USSR (L.V. Victorov, ed.). Kalinin: Kalinin State Univ. Publ. P. 24-26 (in Russian).

Zinoviev, V.I., Zinoviev, A.V. 1988. Birds of the forested part of the European USSR. Alaudids. Ibid. P. 26-37 (in Russian).

1989

Zinoviev, V.I., Zinoviev, A.V. 1989. Some materials on the biology of the Bluethroat in the region of Tver. In: Reports of MSNR. 1987. Zoology and botany. Moscow: Nauka. P. 78-80 (in Russian).

Zinoviev, V.I., Kerdanov, D.A., Zinoviev, A.V. 1989. New data on the rare species of birds in Tver region. Ibid. P. 82-83 (in Russian).

Zinoviev, V.I., Zinoviev, A.V. 1989. Corvids on the filtering fields. In: Proc. II All-Union Meeti. "Corvids in natural and anthropogenous landscapes". Part II. Lipetsk. P. 115 (in Russian).

1992

Zinoviev, V.I., Zinoviev, A.V. 1992. On the size of colonies of some avian species. In: Fauna and ecology of animals (Victorov, L.V., ed.). Tver: Tver State Univ. Publ. P. 111-112 (in Russian).

1993

Zinoviev, A.V. 1993. A new ligament in passerine birds and an associated mechanism of branch clasping. Zool. J., 72(4): 146-149 (in Russian, English abstract).

1995

Zinoviev, A.V. 1995. Tver filtering fields as an example of human induced enrichment of the ornithofauna. In: Proc. Conf. "Problems of specially protected natural areas and preservation of the biodiversity in the region of Tver". Tver: Tver State Univ. Publ. P. 84-85 (in Russian).

1996

Zinoviev, A.V. 1996. On the unique find in the region of Likhoslavl'. Bull. Tver Ecol. Club, 1: 5-6 (in Russian).

Zinoviev, A.V. 1996. Rare and protected animals of the region of Tver. Ibid., 2: 3 (in Russian).

Zinoviev, A.V. 1996. By the trail of the Grave's expedition. Ibid., 2: 6.

1997

Zinoviev, A.V. 1997. Rare and protected birds of the region of Tver. Tver: Tver Ecol. Club Publ. 8 p. (in Russian).

Zinoviev, A.V. 1997. On some adaptive features in ligament-muscular system of hindlimbs of the Crossbill. In: Questions of Morphology and Ecology of Animals (Victorov, L.V., ed.). Tver: Tver State Univ. Publ. P. 48-52 (in Russian).

Zinoviev, A.V. 1997. The filtering fields of Tver: A unique example of human-induced avian diversity. Russian Cons. News. 10: 20-21.

1999

Zinoviev, A.V. 1999. Avian hind limbs as an organ of bipedal locomotion. Ph.D. thesis. Moscow: Moscow State Univ. 19 p. (in Russian).

Zinoviev, A.V. 1999. Teaching of ecological culture during zoological field practice at the Tver State University. In: Proceedings of the Conference "Tver region: culture and ecology". Tver: Tver State Univ. Publ. P. 43-44 (in Russian).

Zinoviev, A.V. 1999. Some results of studying of anthropological material from late medieval necropoles of Tver. In: Tver, Tver Region and Adjacent Territories during Middle Ages. Tver: TNEER. 3: 245-248 (in Russian, English abstract).

2000

Kamertsev, A.L., Zinoviev, A.V. 2000. The plasticity of the feeding behavior of the Long-eared Owl (*Asio otus* L.: Strigidae: Strigiformes). In: Proceedings of the Conference of students and post-graduate students of Tver State University, Tver, April, 5, 2000. Tver: Tver State Univ. Publ. P. 18-19 (in Russian).

Zinoviev, A.V. 2000. Function of *m. fibularis brevis* in birds and mechanism of stabilizing intertarsal joint. Zool. J. 79(11): 1337-1343 (in Russian, English abstract).

Zinoviev, A.V., Dzerzhinsky, F.Ya. 2000. Some general notes on the avian hindlimb biomechanics. Bull. Moscow Soc. Nat. Biol. Ser. 105(5): 10-17 (in Russian, English Abstract).

2001

Zinoviev, A.V., Nguyen Cu. 2001. Russian-Vietnamese ornithological research in Vietnam. Orient. Bird Club Bull. 33: 39-40.

2002

Zinoviev A.V. 2002. Recent ornithological observations in Ma Da Forest, Dong Nai Province, Southern Vietnam. Orient. Bird Club Bull. 35: 15-17.

Zinoviev, A.V. 2002. Birds of Cat Loc. In: Results of complex zoological-botanical expedition in Cat Loc, Cat Tien National Park. Hochiminh: Vietnam-Russia Tropical Centre and Cat Tien National Park Conservation Project. Technical Report No. 36. P. 39-56.

Zinoviev A.V. 2002. Stages in the evolution of the foot in jacanas (Jacanidae). Abstr. Vol. 23rd Int. Orn. Cong., Beijing, China, August 11-17, 2002. P. 158.

Butusov, A.A., Viktorov, L.V., Zinoviev, A.V., Kerdanov, D.A., Nikolaev, V.I. 2002. Birds - Aves. In: Red Data Book of Tver Region (Sorokin, A.S., ed.). Tver: Veche Tveri & ANTEK Press. P. 162-200. (in Russian).

2003

Zinoviev, A.V. 2003. On the terminology of certain short extensor muscles of the foretoes in birds (Aves). *Ornithology*. 30: 127-131 (in Russian, English abstract).

Zinoviev, A.V. 2003. Common aponeuroses of origin of avian crural muscles as a key object of the avian hindlimb myology. *Ornithology*. 30: 132-135 (in Russian, English abstract).

Zinoviev, A.V. 2003. To the characteristics of the anthropological collection from an excavation of Spas Vysoky Monastery from middle suburban settlement of the city of Tver. In: *City of Tver, Tver region and adjacent territories during Middle Ages*. Tver: TNEER. 5: 106-108. (in Russian).

2004

Zinoviev, A.V. 2004. On the origin of heterodactyly in trogons (Aves: Trogoniformes). In: *Proc. "4th Readings in the Memory of Prof. V.V. Stanchinsky"*. Smolensk: Smolensk Pedagog. Univ. Press: 374-378 (in Russian, English abstract).

2005

Zinoviev, A.V., Loginov, S.B. 2005. On the cases of the unusually early singing of the East European Bullfinch (*Pyrrhula pyrrhula pyrrhula*: Fringillidae: Passeriformes). *Vestnik Tver State Univ. Biology and Ecology Ser.* 10(4): 108-109 (in Russian, English abstract).

Zinoviev, A.V. 2005. *To the "Origin of Species..."*. Tver: Tver State Univ. Press. 104 p. (in Russian).

Zinoviev, A.V. 2005. An example of teaching of the Evolutionary Biology during seminars on the Faculty of Biology of Tver State University. In: *Proc. Interinstitutional Scient. Method. Conf. on the Problems of Teaching at High School "Quality of Education: Modern Approach to the Content and Organization of the Process of Education"*. Tver: Tver State Univ. Press. P. 9-14. (in Russian).

2006

Zinoviev, A.V. 2006. Key locomotor adaptation of passerine birds based on their hindlimb morphology. In: *Proc. XII Inter. Orn. Conf. North. Eurasia. Jan. 31st - Feb. 5th, 2006*. Stavropol State Univ. Stavropol: Stavropol State Univ. Publ. P. 221-222. (in Russian).

Zinoviev, A.V. 2006. Hindlimb morphology and adaptive evolution in turacos and cuckoos (Aves: Cuculiformes). In: *Schodde R., Hannon S., Bairlein F., Eds. J. Orn. Abstracts. XXIV Inter. Orn. Congr. 2006. Aug. 13-19, 2006. Hamburg. Berlin: Springer. P. 278-279.*

Emelyanova, A.A., Zinoviev, A.V. 2006. *The Theory of Evolution: Teaching Manual*. Tver: Tver State Univ. Publ. 114 p. (in Russian).

Khukharev, V.V., Zinoviev, A.V. 2006. Nikolay Yakovlevich Danilevsky and Charles Darwin: two views on nature and history. In: Evstifeeva, E.A., ed. Culture and Rationality. Tver: Tver State Univ. Publ. P. 98-108. (in Russian).

Zinoviev, A.V., Zinoviev, V.I. 2006. Avifauna of the filtering fields of Tver. Vestnik Tver State Univ. Ser. Biol. Ecology. 22(5): 79-85 (in Russian, English abstract).

Zinoviev, A.V. 2006. Notes on the Hind Limb Myology of the Ostrich (*Struthio camelus*). Ornitologia. 33: 53-62.

Zinoviev, A.V. 2006. To the osteological material collected on the course of archaeological excavation in the city of Kashin in 2002. In: City of Tver, Tver region and adjacent territories during Middle Ages. Tver: TNEER. 6: 10-13. (in Russian).

2007

Zinoviev, A.V. 2007. Phylosophical, ideological and religious aspects of biology. In: Proc. Intern. Sci. Conf. "Biology of XXIst century: Theory, Practice, Teaching". Apr. 1-4. 2007. Cherkassy. Kiev: Photosociocenter. P. 17-18. (in Russian).

Zinoviev, A.V. 2007. On the unique deep plantar tendons arrangement in the foot of Piciformes (Aves): its possible origin and evolutionary implications. In: Castanet, J. Ed. "Vertebrates in good shape in Paris". Abstracts. 8th Int. Congr. Vert. Morph. 2007. Jul. 16-21, 2007, Paris. Paris: Univ. Pierre & Marie Curie. P. 142.

Zinoviev, A.V. 2007. On the Unique Deep Plantar Tendons Arrangement in the Foot of Piciformes (Aves): Its Possible Origin and Evolutionary Implications. J. Morph. 268 (12): 1153.

Zinoviev, A.V. 2007. Modern view on the functional content of the extended Garrod's muscular formula. Zool. J. 86(8): 978-988. (in Russian, English abstract).

Zinoviev, A.V. 2007. Apparatus of bipedal locomotion of cuculiforms (Aves: Cuculiformes sensu Peters, 1940): scenario of an adaptive evolution. Zool. J. 87(10): 1250-1258. (in Russian, English abstract).

Emelyanova, A.A., Zinoviev, A.V. 2007. The Theory of Evolution: Basic Concepts and Terms. Tver: Tver State Univ. Publ. 96 p.

Zinoviev, A.V. 2007. Comparative anatomy, structural modifications and adaptive evolution of avian apparatus of bipedal locomotion. PostDoc. Thesis. Moscow: Moscow State Univ. 53 p. (in Russian).

Zinoviev, A.V. 2007. Key locomotor adaptation of passerine birds based on the their hindlimb morphology. Bull. Moscow Soc. Nat. Biol. Ser. 112(3): 20-26. (in Russian, English abstract).

Zinoviev, A.V. 2007. On the occasion of the unusual configurations of deep plantar tendons in two groups of birds: morpho-functional analysis and evolutionary implications. Bull. Moscow Soc. Nat. Bil. Ser. 112(5): 3-8. (in Russian, English abstract).

Zinoviev, A.V. 2007. From Belyi to Vitebsk: Notes of Naturalist. In: Svoi. Expedition of Tverskaya Zhizn'. Tver: Print. House "Glagol". P. 126-169 (in Russian).

Zinoviev, A.V. Anseriforms of Tver filtering fields. Vestnik Tver State Univ. Ser. Biol. Ecol. 21(49/5): 100-102 (in Russian, English abstract).

Zinoviev, A.V. 2007. A study of human osseal remains from the "Cholera Cemetery" archaeological site (Tver, Russia) // Bull. Intern. Assoc. Paleodont. 1(2): 12-17.

Zinoviev, A.V. 2007. Some details of hand skeleton morphology of the Early Cretaceous bird *Confuciusornis* (*Confuciusornis sanctus*: Confuciusornithidae) and their morpho-functional interpretation. Vestnik Tver State Univ. Ser. Biol. Ecol. (in Russian, English abstract). 22(50/6): 94-100. (in Russian, English abstract).

Zinoviev, A.V., Notov, A.A., Sorokin, A.S., Tyusov, A.V. 2007. To the project of establishing "Ordino" Natural Reserve in Staritsa district of Tver region. Vestnik Tver State Univ. Ser. Biol. Ecol. (in Russian, English abstract). 22(50/6): 219-229. (in Russian, English abstract).

Zinoviev, A.V., Loginov, S.B. 2007. First record of the albino Common Swift (*Apus apus*) in Tver, Russia. Ornitologia. 34(2): 205-206.

2008

Zinoviev, A.V. 2008. A unique configuration of deep plantar tendons in Piciformes: history of study, possible origin and evolutionary implication. Zool. J. 87(1): 75-82. (in Russian, English abstract).

Zinoviev, A.V. 2008. The deep plantar tendons of avian foot: morpho-functional analysis and possible genesis. Zool. J. 87(2): 197-205. (in Russian, English abstract).

Zinoviev, A.V. 2008. Convergence in hindlimb morphology of the Osprey and owls. In: Galushin, V.M., ed. Proc. V Intern. Conf. Raptors North. Eurasia. 2008. Feb. 4-8. Ivanovo. Ivanovo: Ivanovo State Univ. Publ. P. 12-13. (in Russian, English abstract).

Zinoviev, A.V. 2008. A study of human osseal remains from archaeological excavations in Saint-Assumption Trinity Monastery (Staritsa, Tver District, Russia) // Bull. Intern. Assoc. Paleodont. V. 2. № 1. P. 4-18.

Zinoviev A.V. 2008. How *Archaeopteryx* climbed trees / ed. Prah N. // Materialien zum wissenschaftlichen Seminar der Stipendiaten des "Michail Lomonosov"-Programms 2007/08. Moscow: DAAD. S. 246-248.

Zinoviev, A.V. 2008. Some notes on the life style of confuciusornithids (Aves, Confuciusornithiformes, Confuciusornithidae) / XXth International Congress of Zoology. Abstracts. Paris. Paris: UPMC. P. 30.

Zinoviev, A.V. 2008. On the archeological find of docked horse tails in downtown of Tver. Vestnik Tver State Univ. Ser. Biol. Ecol. V. 20(80/8). P. 87-90 (in Russian, English abstract).

Zinoviev, A.V. 2008. Miles of memory // By the Volga under the Flag of "Tverskaya Zhizn". Staritsa: Staritsa Publ. House. P. 11-12 (in Russian).

Zinoviev, A.V., Nikitina E.F. 2008. Expedition "Ways of Heroes" – "Let's Help Volga" (2008): Data to the Red Data Book of Tver Region // By the Volga under the Flag of "Tverskaya Zhizn". Staritsa: Staritsa Publ. House. P. 106-117 (in Russian).

2009

- Zinoviev, A.V. 2009. "On the Origin of Species..." by Charles Darwin as a key book for seminars on the evolutionary theory / Proc. Intern. Sci. Conf. "Modern Aspects of Evolutionary Theory" (on the Occasion of 200th Anniversary of Darwin's Birthday). Bryansk: Bryansk State Univ. Press. V. 1. P. 38-43 (in Russian).
- Zinoviev, A.V. 2009. An attempt to reconstruct the lifestyle of confuciusornithids (Aves, Confuciusornithiformes) // Paleontologicheskyy Zhurnal V. 3. P. 91-99 (in Russian, English abstract).
- Zinoviev, A.V. 2009. An attempt to reconstruct the lifestyle of confuciusornithids (Aves, Confuciusornithiformes) // Paleont. J. V. 43. № 3. P. 444-452.
- Zinoviev, A.V. 2009. On the case and possible origin of double human inhumation in the backyard of a private house in the city of Tver // Bull. Intern. Assoc. Paleont. V. 3. № 1. P. 10-19.
- Zinoviev, A.V. 2009. To the history of study of Tver regional ornithofauna: Goebel's observations (second half of XIX century) // Vestnik Tver State Univ. Ser. Biol. Ecol. 14(13): 101-106. (in Russian, English abstract).
